There are **3 Great Houses**, Each **Great House** represents each **Tier of Membership**.

Tier 1 – House of the Team Member.

Tier 2 – House of the Board Member.

Tier 3 – House of the Member of the Board.

ACCESSING MEMBERSHIP PAGES – SAFE BARS Website

To access certain Membership Areas on the SAFE BARS Aotearoa (New Zealand) website, you will need to sign up at the website. Signing Up does not cost anything as long as you are a paying sponsor through YouTube, Patreon or the Safe Bars Website.

You don't have to change platforms, but if you do please remember to make sure you stop paying on the old platform if you decide to come over to the SAFE BARS Aotearoa for paying Membership.

If you have already Signed Up as a Paying Sponsor through the SAFE BARS Website, then you are already in.

You will be given a choice inside the Sign-Up form that I have created for members.

OFFICIAL TEAM MEMBERSHIP. Supporter to Team Member

When a Paying Member signs up, from that day they become a Supporter of the Project SAFE BARS Aotearoa, If the Member carries on that support for a period of a 'YEAR and a DAY' the Member crosses over from being a Supporter to an Official Team Member.

As an Official Team Member, the Member is given 'Special Access' to privileges that only 'Official' Team Members receive, these include but not limited to such things as the ability to attend Official Project Team Hui's (Meetings), Access to Official Team Member Merchandise, Access to the Official Project Team Page and Official Team Member Certificates.

If you as a Supporter become an Official Member of the Project Team, You remain an Official Member for life, even if you stop paying membership.

Though your Tier Membership Perks stop, as an Official Member of the Team, you are still able to attend Project Team Meetings, (Hui's).

The 1st BINARY. 1001

The 1st BINARY are the first 1001 Members who become 'OFFICIAL' Members of the Team.

As a 1st BINARY Member, You receive particular Perks that ONLY 1st BINARY Members are Gifted and given access to.

OFFICIAL TEAM MEMBER PAGE – Public & Private

Once a Supporter become an 'Official Team Member' we have a cultural practice called the Crossover.

This is where the Official Team member is announced to the Team and to the Public. At this time the Official Team member is then placed onto our 'Public' and 'Private' Official Team Page, by way of the Team Card, this is a Graphic which acknowledges the Member, their Tier of Support and the Country they represent inside the Project SAFE BARS.

The Member can decide what Profile Picture is displayed on both pages.

To be placed upon the Official Team Page on the Website, the Member must Sign Up at the Website so as to allow us permission to place the Member.

OUR MERCHANDISE.

The GALLERIAS. Public & Members

The GALLERIAS are where our Members can access the different types of Merchandise that we have here at the Channel. Each Great House has there very own GALLERIA of which you can access from your Membership Area at Our Website or through the Platform that you have Membership with, in supporting the SAFE BARS Project.

MERCH & i.

We design our own MERCH & I, and our Designs incorporate 'Meanings' and 'Messages' as well as look cool, so please make sure that you read the meanings of the MERCH & i so as to send the right Message. Though there isn't a lot of MERCH & I at the moment, I shall be adding updates and New Designs early in the New Year.

MEMBERSHIP MERCH.

Some of our Designs and Merch incorporate the GREAT HOUSES, so our Members can purchase Membership Merch so as to represent their GREAT HOUSE and their Membership of the Channel and Project.

SOCIAL MEDIA AND TEAM HUI'S. (MEETINGS).

THE GREAT HOUSE FACEBOOK GROUPS.

Each Great House has their very own Facebook Group, where every now and again I'll post something for the Individuals of that House. The Great Houses are a way of giving updates and specifics about the Channel and the Project, to that Tier of Membership, as well as when we have Facebook live Hui's (Meetings).

So, please make sure you Join your Great House Group on Facebook.

Don't worry if you don't have as you can get updates via your email address as well as through the Project Website when you join.

TEAM HUI'S AND UPDATES.

Now that you have become a Supporter of the Project SAFE BARS Aotearoa, You will be able to Access Team Hui's when they happen. At present we are at the stage of finding initial Funding for the Project, so at present the Team has been receiving Project Funding Updates on what I am doing in regards to the Channel and Tactics for building Funding.

Once I have secured enough Funding, we shall be having Team Hui's in relation to the Implementation of the Project. Though I shall be having a 'Live' Team Catch up over Christmas, all supporters shall be given access to this Hui.
